PRINCIPALS MESSAGE

The term is fast coming to an end. Reports will be sent home on the last day of term with interviews to be held next term. Please see the attached sheet for preferred interview times.

Last Thursday Sue Brown our Director of Education came to the school for my Principal Appraisal Review. She also brought the very good news that we are to receive funding to level the concrete area across the back of the school. This will be a huge improvement for this area and we were fortunate because this was the final year of this particular funding program.

We are very fortunate at our school to have some special visitors who come to help out and share their expertise with us. Lauren McCrae is from PEDAL (early intervention) and she comes on a regular basis to share resources with us. As you can see Phoenix loves to have her visit and has created a wonderful picture for her to take back to her workplace.

Mrs Stace was lucky enough to walk into the Lower Division classroom this morning just in time to listen to Sarah and Bridie reading to Mrs Beal.

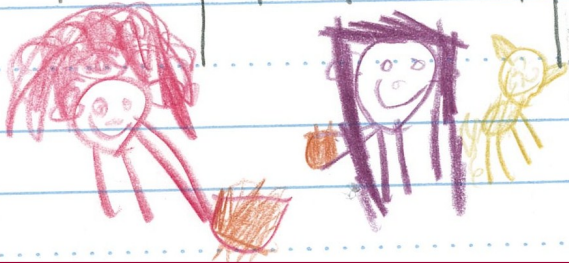

What a wonderful job they did and this was the first time they had looked at this particular book.

Well done girls!

On the weekend I went to

FROM OUR 2014 STUDENT LEADERS

Upper division have been working on learning how to use paragraphs correctly in their writing. We used a picture of a hamburger as scaffolding.

We are taking the opportunity to learn about the country of Brazil as we follow the results at the FIFA World Cup.

The students enjoyed singing happy birthday to Mrs Stace today. Mrs Thornton made a fantastic Pink Elephant cake!

Nick Page, Chris Rassatti, Rose Burke and Sophie Byers.

A boy carries a flag during the opening ceremony of the FIFA Congress in Sao Paulo.

Here are some more wonderful Gold projects from Upper Division students.

Rose

This creation of Rose Burke's goes with the poem that was in last week's newsletter—The Positive Man.

I wish to apologise for an error in the newsletter last week, this fabulous creation belongs to Abby not Toby.

FOR YOUR INFORMATION

Student's and staff farewelled Ms McInnes last week.

We were sad to see her leave she has been a great asset to our school during her practicum here.

Some of our students made her a beautiful card with a photo of each member of our school so she cannot forget us!

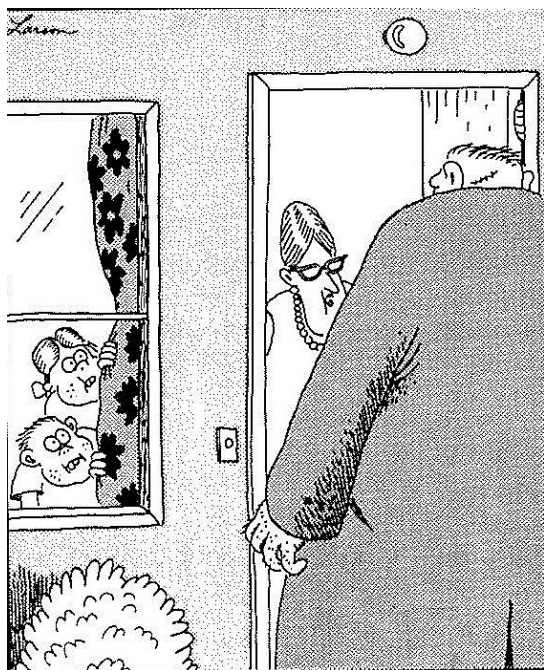

Just a reminder, especially to our Lower Division students whose bags are in the sun for part of the day. *Please put ice bricks in lunch boxes with food that needs to be kept cold.*

The Far Side®

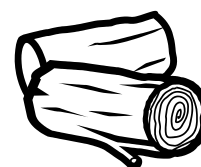

"Why, yes ... we do have two children who won't eat their vegetables."

The Oxley Riders, some of you may know are a local social motorcycle club raising money for local charities with members in Walcha, Uralla, Armidale and further afield.

We are currently holding our annual raffle which is a tip truck load of wood. Tickets are \$1 each and are available at the office if anyone would like to purchase some. It will be drawn on 14th June.

Please see Anne if you are interested.

Warm regards Rocky River Students & Staff.
