PRINCIPALS MESSAGE

What an exciting day we had on Tuesday when we were visited by the doctors from the Teddy Bear Hospital. The children enjoyed discussing the woes of their best buddies with the doctors and they were able to discuss the symptoms with the doctors with great maturity.

This Friday is the Regional Athletics carnival and we wish Chris and Louisa Rassatti, Tara and Dean Vickery and Nick Page all the best in their events. If the carnival is postponed, there will be a recorded message on 0408668669.

Next Thursday is school photo day. Students are asked to wear winter uniform. Girls should wear navy skorts and tights, black shoes and maroon jumpers and school shirts. Boys should wear grey pants, maroon jumper, school shirt and black shoes. We also need a couple of adults to check students uniforms and hair.

There is a lot of sickness around at the moment with very bad flu, colds and vomiting. For the care and safety of everyone, please don't send children to school when they are sick. They are better to have the opportunity to overcome their sickness in the comfort of their homes rather than to come to school and struggle through the day.

Our 2015 KINDERGARTEN TRANSITION PROGRAM will be held on 13th, 20th & 27th October from 9am-1pm and the final day will be on 3rd November and will run for a full day from 9am –3pm. Please contact Jo Thornton at the school for further information.

**There will be a Parent Orientation Session at 2pm on
Thursday 18th September**

*If you down to Lower Division today
You'd better come in disguise
If you go down to Lower Division today
Your sure for a big surprise.
For five young doctors came to our school
With stethoscopes and medical tools
Today's the day the Teddy Bears have their check ups !*

The owners of the bears and assorted animals had a consultation with five young 4th year medical students as part of the students training to work with children. It also helps the children to realise that the experience can be a pleasant one and allays their fears of visits to the Doctor and or Hospital.

FROM OUR STUDENT LEADERS

Yesterday (Tuesday) we had a special visit from a few of the students from the University Of Newcastle Department Of Rural Health. They came to give our teddy bears a special doctor's check-up!!! (As shown in our last newsletter.) Now our teddy bears are guaranteed to be happy and healthy!!!

Our garden is coming along very well and we would just like to ask if anyone with any left-over lucerne and/or hay could bring some in for us to finish our garden with. We are using 'Costa's No-Dig Garden Recipe,' which you can view at:

From your current School and Vice Captains;

Nick Page, Rose Burke, Chris Rassatti and Sophie Byers.
