The P&C need as much help as possible for this event as they are paying for the air-conditioning which will be installed very shortly. Everyone will benefit from this so please contribute in some way if you are able to.

## Thunderbolt Festival Stall

As most of you would be aware, the Rocky River Public School P&C will be holding a stall at the Thunderbolt Festival on 24th October and it would be great if each family could provide an item or items of home cooking to sell on the day. Our stall has been very popular in the past and we hope to continue this trend this year.

Jaz has recipes and ideas for anyone that needs them, she can be contacted on 0437957219 or if anyone has ideas they would like to share she would love to hear them. If you are able to cook something it would be great if you could let Jaz know so we don't have too many double ups. If you are unable to cook something you may consider purchasing something from the supermarket to bring in for example cupcakes or lamingtons.

There are lots of great websites that offer simple cooking ideas such as Pinterest, Today's Parent, The Schools A-Z website and idea's can also be found on food packaging such as cereal boxes.

If you can't make it on the day items can be left at the school on the Friday before the festival.

Volunteers will be needed throughout the day to run the stall. Please contact Jaz if you are able to help even if it's only for 1 hr. This would be greatly appreciated.

This is a wonderful opportunity for the P&C to fundraise and showcase our school to the wider community.

## P&C

The next P&C meeting will  
be on Wednesday 7th  
October at 5.30pm

**ALL WELCOME**

## LOOK WHAT'S BEEN HAPPENING IN UPPER DIVISION

### LAST TERM

This year has been very exciting and fun but alas the school year must also come to end. Not just yet though, we still have our Christmas play, our arts and craft store (more information coming) and our end of year assembly. Unfortunately this will be the last term for the Year 6 students at this school, but do not fret, as one door closes another opens for great opportunities and making new friends.

We would like to show our gratitude and respect to our former teacher and still friend Mr McNair. We enjoyed a farewell party on the last day of term as you can see by the photo's below.

By Stelios Charnas, Jackson Peters and Dean Vickery

Upper Division students have been making Origami Kumusaka flowers as part of their study of Japanese Haiku Poetry.

## Raspberry Sweetheart Cookies

### Ingredients

- 1 450-g pkg or 2 frozen puff pas-  
try sheets, thawed in the fridge
- 1/3 cup granulated sugar, divided
- 1/4 cup seedless raspberry jam

### Directions

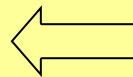

1. Sprinkle counter with 3 tbsp sugar. Unroll cold puff pastry sheets onto sugar. Sprinkle remaining 3 tbsp sugar over sheets. Press gently on pastry so sugar sticks. Divide jam between pastry sheets. Spread in an even layer to the edges. Fold opposite ends of each sheet to the centre so ends meet. Fold both sides again to the centre. Fold one side over the other. Freeze rolls on tray until firm, about 30 min.

2. Position oven racks in top and bottom thirds of oven. Pre-heat to 400F. Line 2 large baking sheets with parchment.

3. Remove one roll from freezer. Using clean kitchen scissors, cut dough into 1/4-in. slices, about 50 cookies. Arrange cookies on prepared sheets about 2 in. apart. Repeat with remaining roll.

4. Bake in top and bottom thirds of oven, switching sheets half-way through, until golden brown and crisp, 15 to 18 min. Transfer to a rack to cool completely. Store cookies in an air-tight container up to 1 week or freeze up to 1 month.

An idea for the Thunderbolt  
Festival Stall!
