

# WELCOME BACK

28th January 2015

## From the Principal

Welcome back to 2015. I hope everyone has had a refreshing and enjoyable holiday ready for a busy term. This year we have 16 students ( including 4 new kinders) in lower division and 21 in upper division. There will be a change in structure for the upper division students with all Years 3 & 4 working with Mrs Jewell from 9:00 until 12:30 each day except on Wednesday. Mrs Jewell will be responsible for the literacy and numeracy programs for these students. In the afternoons the Year 4 and 5 students will join Years 5 and 6 with me. Sport will now be on Wednesdays.

So we get off on the right foot, so to speak, could you please ensure your child has correct black school shoes and not slip on canvas ones. Upper Division students need to have their own pens and pencils, rulers, rubbers, sharpeners and textas. Please make sure all property including uniforms has your child's name on it.

Mrs Temoso has provided your child's log in and password to the Reading Eggs and Athletics programs.

### PLEASE NOTE:

You will find attached a permission note for our Small Schools Swimming Carnival which will be held next Thursday 5th February. Please ensure these notes are returned to the school as soon as possible.
