# “The Rocky Review”

TERM 2, WEEK 7, 8 JUNE 2016

## PRINCIPALS MESSAGE

### Welcome to Week 7, Term 2.

This week will see the beginning of our gymnastics program. Students are looking forward to learning new fundamental movement skills that are more complex than those we have been learning at school. Due to the times we are attending gymnastics we will have lunch before we go and afternoon tea when we return.

Thank you to those parents, carers and community members who were able to attend the P&C meeting last Wednesday. It is a pleasure to be part of such an enthusiastic group working towards goals to assist with the education of our students at Rocky River. I understand that it is not possible for everyone to attend these meetings so if you are willing and able to assist with upcoming projects or have ideas you would like put forward, please let me know, particularly if you can volunteer your time at events.

Also congratulations to Miss Miller and James on the exciting news of a new brother or sister for Billy on the way. We look forward to meeting the new edition to your family in December.

This week we will be focusing on using the positive habit of mind – **“Taking Risks”**.

Taking Risks means preferring but not needing to be successful and thinking that it’s good to try something new even though I might not be able to do it.

The negative habit of mind is when students are **“Needing to be Perfect”** – thinking that they have to be successful in everything important they do and that it’s horrible when they’re not.

Confidence involves young people having trust in themselves and believing that they will probably be successful in the end. Over the next few weeks’ students will be targeting being confident young people who can stand up straight, look people in the eye, and speak clearly and with a firm tone of voice.

***“He who is not courageous enough to take risks will accomplish nothing in life”***

Have a great week

**Taking Risks**

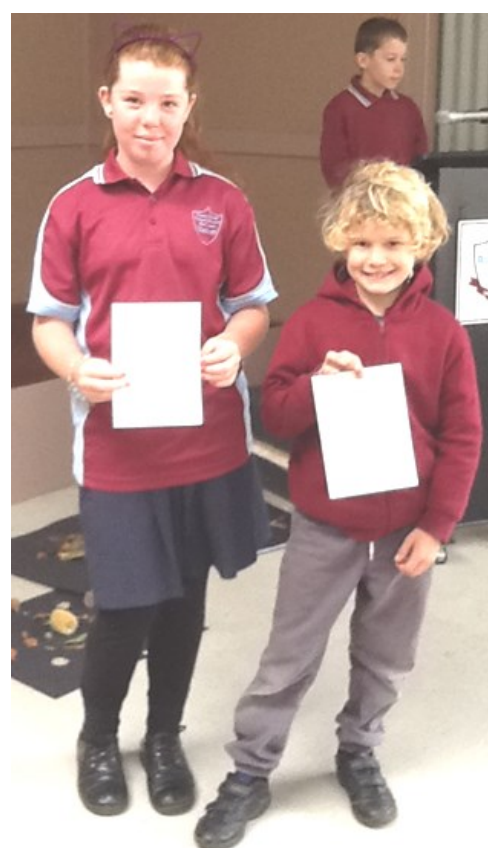

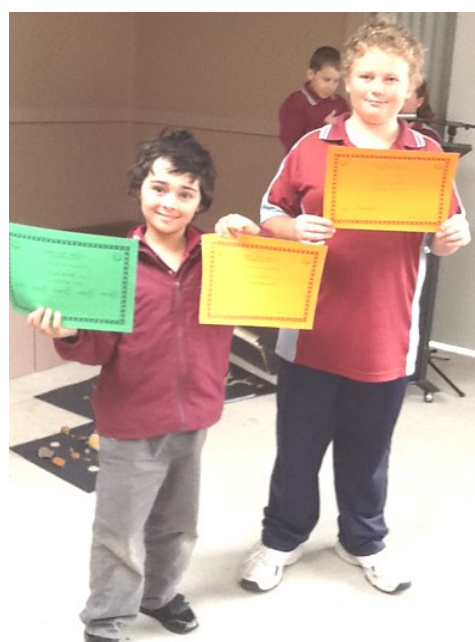

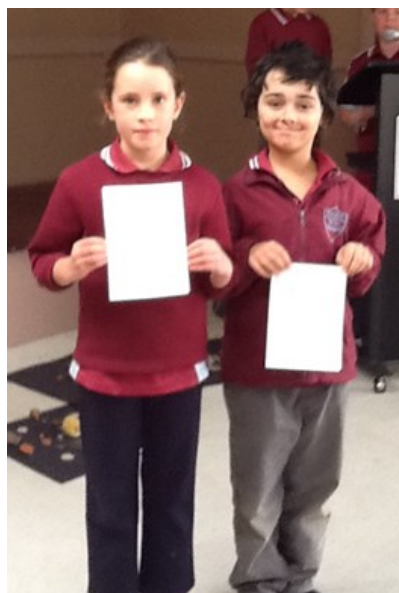

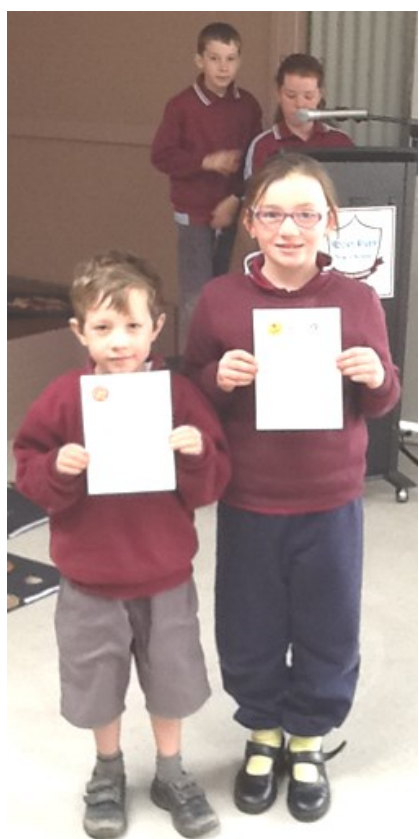

... leads to confidence and  
not feeling worried

Last week our Year 6 students received their Year 6 jerseys and they look fantastic. These are a great memento to celebrate the students last year at primary school and as the leaders of our school.

## ASSEMBLY BY UPPER DIVISION

Congratulations to Upper Division for your confident performance at the assembly last week. It was great to see students standing proudly receiving their certificates. We look forward to our next assembly on Thursday at 2:30pm in week 10, where we will be celebrating NAIDOC week.
