LOOK WHATS BEEN HAPPENING IN OUR SCHOOL

Student artwork

The NSW Premier's Sporting Challenge (PSC) promotes student participation in sport and physical activity across NSW public schools. The PSC's aim is to promote the enjoyment of participation in physical activity by getting "more students, more active, more often." 2017 marks the 10 year anniversary (2008-2017) of the program and as part of the celebration schools have been invited to participate in a promotional poster competition.

Theme: Celebrating 10 years of the NSW Premier's Sporting Challenge.

These are the artworks submitted by some of our students.

KEEPING UP WITH UPPER DIVISION

This term, Upper Division have been focusing on communication and getting along. Last Friday, students participated in completing an artwork for the Premiers Sporting Challenge. This artwork required the students to create a poster that incorporated the words: Teamwork, everyone, healthy, working together, having fun with your friends, energy and feeling good.

Upper division came up with some different scenarios on the playground that related to these words and took some photos as inspiration for their artworks.
