TERM 3 WEEK 4 - 13 AUGUST

PRINCIPALS MESSAGE

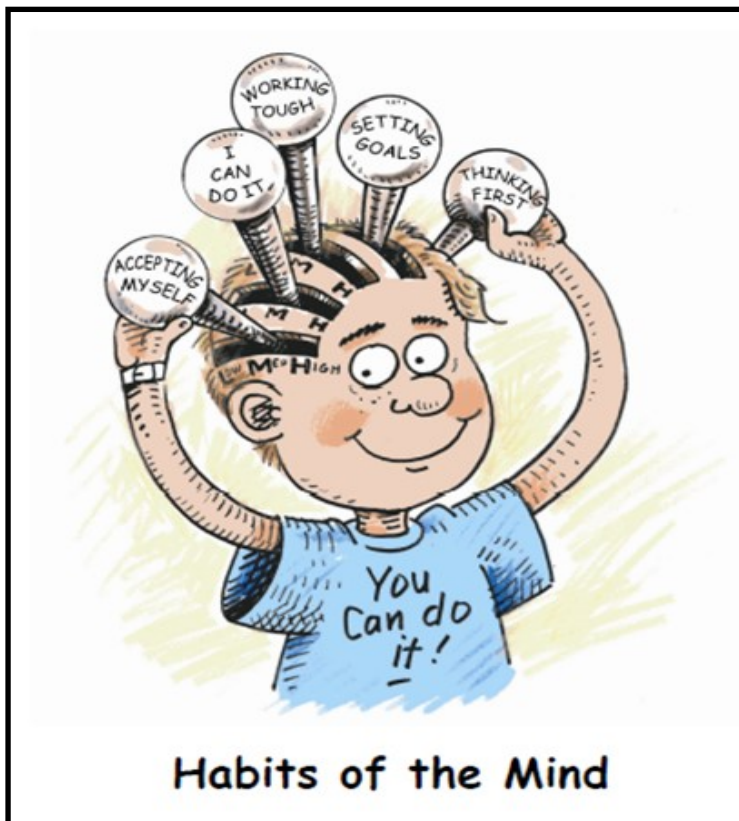

Another wonderful week ahead of learning this week at Rocky River.

Next week we will celebrate Education week and Book week with a parade and assembly on Thursday 22 August at 9am. We hope to share our love of learning with you all on this day.

On Thursday and Friday this week I will be attending the National Outdoor learning conference. This is an area of learning I am extremely passionate about. I am a strong advocate for schools to have natural play space to help children to explore the natural environment and provide them with ways they can play and learn with things they might find around them.

By encouraging our children to embrace nature play and learning, they gain more trust in their own judgement and also become more comfortable with the materials.

You Can Do It

This week I have included a picture to illustrate the positive Habits of the Mind. This is what we will be learning about across the term in You Can Do It.

A Habit of the Mind is the way we automatically think in a certain way.

By thinking in that way, a person experiences certain emotions and behaviours that will either lead to sound achievement and good social-emotional behavioural well-being or underachievement, poor psychological health and disaffection.

People with positive habits of mind are able to accept themselves, work tough, set goals, think first and have a "I can do it" attitude.

LOOK WHAT'S HAPPENING IN OUR SCHOOL

SNOW DAY- The students were excited to see snow in the playground. Braving the cold weather, they made snow men and ice balls.

Harmony Day Poster Competition Certificates. Upper division students designed their own poster for Harmony Day.

We recently received the certificates for participation.

KEEPING UP WITH LOWER DIVISION

Lower Division students have been looking at African inspired animals.

For art and craft, they have enjoyed creating their own paper giraffes to be displayed in the classroom.
